andy.birdwell@gmail.com

Objective

To gain ground in the Web Design/Development field. To expand on current knowledge of web standards and usability, and continue to push the limits with rich interactive designs. Looking for an environment that promotes creativity and allows for growth.

Experience

Freelance Web Designer/Front-End Developer

Self-employed

February 2010 – Present

<http://andybirdwell.com>

I specialize in user-friendly, thoughtfully designed, standards-compliant websites using XHTML, CSS, XML, JavaScript(JQuery, MooTools, Yahoo YUI etc.), Photoshop, Illustrator, Flash, ActionScript 2.0/3.0, AJAX and CMS(WordPress, Drupal and Joomla). Experience working with PHP and ASP.NET.
